Annual General Meeting
The fundraising Committee will be holding their AGM on Monday 7 April in the office beside reception. The roles of Coordinator and Secretary will be up for grabs. If you are interested in either of these roles, please come to the meeting. It has also come to my attention that some people have found me difficult to approach; I didn’t know this. I welcome all involvement, please feel free to approach me or others in the committee. The office can provide the names of those involved. At our meeting we will also be discussing upcoming fundraising events and new ideas. EVERYONE WELCOME! We really do need more parents to help, and remember we are raising money to provide things that the school budget doesn’t cover, so please come. Thanks.

Penguin Running Carnival
By: Will Smith and Eve Sutton
Last Thursday Miandetta Primary School sent a team to the Penguin running carnival. The weather was perfect, which helped make our day great. All 36 students were great sports and were well behaved. We had some terrific runners who won their finals and will be competing again at the Twilight carnival.

Our voices are still recovering after all our cheering! A big thanks to the fantastic parents for all their help.

Bob Cat/Excavator Needed
The school is in need of the use of a bob cat to spread soft fall. It would only be needed for a maximum of a couple of days. Do you know somebody who might be willing to loan us one? If so, please let the school office know. It would be greatly appreciated!
Reminders

Friday 21 March – Open Classrooms - Reminder
Parents are invited to visit their child’s classroom on Friday 21 March between 11.30 and 12.30, providing an opportunity for parents to view and share in the work undertaken in classrooms. Parents are welcome to enjoy a muffin and coffee in the multi-purpose room from 12.30 until 1pm.

Footy Boots Drive - Reminder
If you have any second hand footy boots that you no longer need, please drop them off at the school office so they can be nuggeted and re-laced. The boots will then be distributed to schools/families who need support.

5/6 G and Prep C, worked together on a Harmony day activity. They made a paper people chain and coloured each person in differently. The students discussed similarities and differences between themselves and their buddy. They worked harmoniously together while doing their harmony day activity!!
Soccer Reminders

Please note: last week’s newsletter provided information about referee training, grass roots coaching course, Devonport Representative try outs, soccer canteen managers and the soccer working bee.

Registrations

With the D.J.S.I roster starting on Saturday April 5, players need to return their registration form. They will not be able to play if this is not completed along with a payment for registration and school top hire ($70 total). Players will soon be notified of their team and this information is being finalised with Coaches. A roster for each Team will be published and passed out to individual players as soon as D.J.S.I confirms these details. Additionally some information will be sent home to all players and coaches regarding our School’s Sports Code of Conduct. Please ensure time is spent going over this important document with your child. Many thanks to the parents who have volunteered to Coach or assist our teams.
