Parent Teacher Interviews - Last Chance
We are in the process of organising parent teacher interview times. If you are yet to return your parent teacher interview form, but would like to come in, please send the form back to your child’s teacher TOMORROW.

Reminder about Assemblies
We love to have parents attend our assemblies. These are opportunities when we celebrate and share learning achievements from different classes. Last week we admired creative monster paintings from P/1 R, appreciated vision boards from 4/5 S and were impressed by flying helicopters from 2/3 S. It is wonderful to witness the growing confidence and developing oral language skills of our presenters when sharing with an audience. This Friday our feature classes at assembly are Prep Carn, 3/4 Evans/MacQueen and 5/6 Adams. Please join us if you can.

Student Achievements
Last week I read of the achievements of two of our past students Grace Tenaglia and Tarsha Jago. Grace is currently an AFS exchange student living for six months in Sicily, Italy and attending a ‘scientific school’. Tarsha has recently been presented with a Recognition Award from the Devonport City Council for her work as a volunteer in the city, supporting the work of Down Syndrome Tasmania (DST). It is wonderful to hear about the effort and achievements of our past students and our present students! We don’t always hear of their outside school achievements and it is wonderful when parents inform us of these so we can share achievements with the wider community.

Stepping Stones
We are having a working bee tomorrow after school until approximately 4.30 to prepare stepping stones for a path to the early childhood playground. We would appreciate your attendance if you have an hour or so to spare.

Congratulations to Brielle from 5/6 Reeves for her design for the dog lead. It looks very helpful. Unfortunately the design didn’t scan well for our newsletter, your welcome to call in and see it in the classroom. Thanks Brielle.

Crescendo Junior Choir Performance
Last week Miandetta Primary school were delighted to be entertained by the beautiful voices of the Junior Crescendo Choir. It was wonderful to see past students and senior choir members, Siobhan Brown and Ruby Haines supporting the junior choir. Students were treated to songs such as Let her Go, Already Home and Skyfall. It was great to listen to our Miandetta students Ivy Haines, Grace Johnstone and Emily Penfold perform with the choir. We were also entertained by Tia van der Velde, Nicki Squibb and Colter Barstad who sang and made some lovely music. The choir were expertly led by Mrs Elizabeth Sandman with music from Mrs Dominique Baker and technical expertise from Mrs Heather Reid. It was a thoroughly entertaining and enjoyable performance. Well done Crescendo! If Miandetta students think they might like to be in the Crescendo choir see Mrs Rippon or you can contact Mrs Elizabeth Sandman via email on ree.cresendochoir@education.tas.gov.au
